Office for Mac 2004 will not run on Lion Microsoft office for mac os x 10 7 5 My Microsoft Office X on my mac OSX 10.. I would score zero stars if I had the option as 1 star is too high Submitted on Review title of JeannetteAll of a sudden! Printer won't work!!? I don't like that periodically as I am working and printing to my heart's content (like today), my printers won't print!Keeps sending message that there is a 'paper jam'! However, like others here on this blog, I can print 'printer status reports', etc.
