About This Game

Explore the uncharted regions of Rheksetor, and build an empire!

As a faithful zealot of The Order, your mission is to explore new territory, harvest valuable resources, and help to build an empire.

Rheksetor is a rapidly evolving game with many different planned and potential features to be added in the future.

Planned Features:

- Equipment loot drops to customize and improve your character (including set items)
- Semi-randomized "biome" regions within the larger world map of Rheksetor
- NPC's that offer a wide variety of quests and useful trade items
- AI-controlled allies to assist in combat
- Lots of enemies and loot variety

Potential Features:

- Wider range of sector types, offering different kinds of challenges
- Combat mechanics that fit the theme of each element (frost slows, fire burns over time, blood drains, etc)
- Multiplayer co-op and competitive modes

Tech trees for structures, allowing a wider range of progression choices
Aesthetic theme packs to personalize your experience
A rich story driven campaign
Planned content improvement (monthly updates - and special themed updates for major holidays):
